*Merchandise Recall*

Please be advised that Health Canada has ruled the following items, which you may have purchased from us, as Jewellery primarily intended for children and as such they do not achieve the safety standards with respect to lead content according to Item 42 of Part 1 of the hazardous Products act:

MP5603	Star charm
MP7501	Sand dollar charm
MB25221	Sunshine bead
MP949	Giraffe pendant
MP1268	Butterfly pedant

Please remove all of these products from your sales inventory and return them to us or destroy them.

Additionally, if you have resold these goods to other consumers, please recall the items from them and return them to us.

Please complete the recall as soon as possible.

Please be advised that the recall might be supervised by Health Canada employees who would contact you if necessary.

WE regret the inconvenience that this may cause you but we are confident that all new metal casted products that we supply currently conform to all government regulations.

Please do not hesitate to contact us for any further information.
